## ADMINISTRATOR'S REPORT October 2006

### Subarea Health Planning Councils (SACs) Activities

- Hawai'i** David Sakamoto provided an update on the meeting with Mayor Kim. The Mayor feels that health care is in crisis and intends to make health care a policy focus. Steve Chelminiak of Hamakua Health Center's Behavioral Health discussed how mental health and substance abuse needs are met at the health center. Community Health Centers serve as a middle ground for many people. They integrate behavioral health with medical care and people feel more comfortable accessing behavioral health services there. They are well integrated with the community and the range of services and providers throughout the community.
- Honolulu** No meeting in September.
- Kauai** Keith Nitta, Kauai County long-range planner, arranged for Kauai EMS to input into the ongoing Community Development plans. KSAC members sent letters to HNA and Wilcox requesting a speedy and honorable end to the strike. On the subject of the Wilcox merger, SHPDA has met with the Mayor, Council Members Tokioka and Rapozo and Wilcox board chair. To be scheduled are meetings with Representative H. Morita, KMC board chair, T. Williamson and the "Concerned Citizens for Kauai's Healthcare Future" group.
- Tri-Isle** The members discussed health care providers they would like to invite to present at future meetings to assist in gathering information about health care resource needs for Maui County. A new Chair and Vice-Chair were nominated and elected.
- West Oahu SAC & Windward Oahu SAC** No meeting in September.

### **Research and Statistics**

The Certificate of Need Application Summaries and Decisions Files, Monthly SHPDA Update Reports and SHPDA Calendar web pages were updated.

The map to our office link on our homepage at <http://www.hawaii.gov/health/shpda> was also updated and now has options for directions both to and from 1177 Alakea Street via MapQuest.

The response rate for the 2005 SHPDA Utilization Survey was at 55% as of September 27, 2006.
